Independence Day Public Fireworks Displays

This document contains a list – last updated on April 20, 2018 – that shows all public displays of display fireworks throughout the state of Washington during the Independence Day Celebration Season. Sorted by county and then city, these are the displays as reported to this office that will occur this year between the days of June 15 and July 15 of 2018 that are generally open to the public, many directly associated with a local event that the entire family can enjoy.

Please note this information is based on data available as of April 20, 2018, and is therefore subject entirely to change due to factors such as weather and emergent conditions. Be sure to check the internet addresses provided (if available) and the local Chamber of Commerce for the city hosting the display for additional details and “day of” confirmation.

Table with columns for County/City, Date, General Location, and Event. Includes sections for ADAMS, ASOTIN, BENTON, and CHELAN counties.
